Information Request

To: First Energy Generation Corporation

In accordance with the *National Labor Relations Act (NLRA)*, Section 8 (d), the union makes the following **REQUEST FOR INFORMATION** from the employer.

The union has a **RIGHT** to the information in it's role as the sole representative of employees at the *Harrison Power Station* and deems such information necessary in ensuring compliance with the CBA, investigating if a grievance exists, in deciding to drop or advance a grievance to arbitration, or in preparation for an arbitration.

The union expects the company to compile and present the information as soon as possible. This includes diligent efforts by the company to obtain such from the parent corporation and third party contractors or vendors with whom the employers associates with.

Refusals to provide the requested information, unreasonable delays, or providing edited versions of said material may constitute a violation of the **NLRA, Section 8 (a)(5)** and may result in the union filing an unfair labor practice (ULP) charge with the NLRB against the employer
